

AIR & SPACE FORCES ASSOCIATION

Pitsenbarger Award Application

Objectives

Air & Space Forces Association (AFA) Pitsenbarger Awards provide a one-time grant of \$750 and a complimentary, one-year AFA eMembership to selected USAF enlisted personnel graduating from the Community College of the Air Force (CCAF) who plan to pursue a baccalaureate degree (only). The grants coincide with CCAF graduation ceremonies held each spring/fall.

Students wishing to apply should contact their base education office to learn about application deadlines and procedures.

Requirements/Selection Criteria

- Proof of current enrollment or intent to enroll in an accredited program leading to a baccalaureate degree must be submitted with application.
- Citations and awards representing distinguished activity should be submitted with the application.
- A narrative statement describing your extracurricular activities and explaining their significance must be submitted with application. Emphasize those activities that indicate leadership, citizenship, teamwork, community service, personal development, and dedication. Also discuss other distinguishing activities and academic accomplishments. The narrative should also include undergraduate plans (e.g., school, field of study, future goals).
- Commander's endorsement must also be submitted with the application.

Grant Allocation and eMembership

- A certificate and a check in the amount of \$750 is sent to the Education Service Office (ESO) for presentation.
- AFA will send eMembership information to the email address provided on the Pitsenbarger application.

Guidelines

- Due to IRS regulations, recipients **must submit a W-9 form** to AFA. Bases should include this form when submitting their selection to AFA.
- Selection is determined at the ESO by a committee of individuals appointed by the base education officer.
- The committee considers job performance, scholastic achievement, education goals and leadership qualities. Need is not a principal criterion. Prior recipients may not be considered.
- All Pitsenbarger grants are awarded based on available funds and are not guaranteed.
